Does it ever occur to you that if the Telephone Co. depends on your patronage, it can not prosper unless you give it your support and pay your bills promptly. See it in line, subscribe for a Telephone and cut out this manipulation. We have most any long distance connection you may call for and the local connections by a large majority. Great Coming

Okolona Opera House
Saturday Dec. 9th
Matinee and Night

It is seldom that the residents of our city have the chance of witnessing one of the large New York Productions and have often expressed the wish that some of the shows could be induced to stop here, that wish will be fully gratified, for Fredrik The Great with his wonderful production of Magic and Illusion will be at the Opera House next Saturday night. This show has been in the South for the past ten weeks and now on their way North are giving a few of the favored towns a chance of witnessing this attraction without being compelled to go to one of the larger cities. Mr. F. B. Williams, the advance manager, has placed the price within the reach of all, so if you do not take advantage of this chance you are going to miss the only chance of the season. There will be a special Matinee for the ladies and children Saturday afternoon at 2:30. The evening performance will have a complete change of program.

L. ROSENBAUM

VS

L. E. LAWLESS, JUDGEMENT
DEBTOR.
M. & O. R. R. GARNISHEE,
NOTICE

Whereas L. Rosenbaum obtained judgement on the 12th day of July 1911 before the undersigned Justice of Peace, Chickasaw County, against L. E. Lawless, for \$13.32 and costs, and

Whereas the M. & O. R. R. Co. was on the 17th day of August 1911 garnished and answered, admitting an indebtedness of \$1.05 to the said L. E. Lawless, and suggested it might be claimed as exempt, and

Whereas said L. E. Lawless is shown by oath to be absent from the State, and cannot be found so that he may be summoned personally.

Now therefore this is to notify the said L. E. Lawless of the garnishment and answer of the R. R. Co. and require him to assert his right in this exemption on or before the 2nd Monday in December, 1911, before the undersigned Justice of Peace at the Court house in the City of Okolona; and if defendant fail to appear, judgement by default may be taken against him adjudging that he is not entitled to the debt as exempt and it will be appropriated to the satisfaction of the Rosenbaum judgement.

Witness my official signature, this the 31st day of October, 1911.

The question of the most profitable fertilizer for potatoes has been the subject of very extended investigations.

The conclusion is that 1000 lbs. per acre of 5% ammonia, 8% phosphoric acid and 10% POTASH

for early potatoes and 800 lbs. of 3-6-8 for the late crop are the most profitable under average conditions. The Potash should be in the form of Sulfate.

Many growers use double these amounts. Such brands can be had if you insist upon them. Do not accept so-called potato fertilizers of low grade. Write us for Potash prices and for Free books with formulas and directions.

"Ye Old Time Philosopher"

Sath 'tis foolish to lay out money in a purchase of repentance still while a man is young and in full vigor of his earning he will let slip the opportunity for providing for advancing years. Wise men learn by others harms; fools scarcely by their own, but he is a lucky fellow who is made prudent by other men's perils.

"Endowment" in the New York Life is the safe way. Every element of chance eliminated.
